ENROLLMENT AGREEMENT

Students who enroll in Keystone National Middle School must have a working knowledge of the English language. Compulsory school age students must have written permission from a parent or guardian. Any student who is of compulsory age must also comply with homeschool requirements dictated by their school district. You need to check the requirement of your district to ensure the Keystone National Middle School program meets the district's homeschool requirements. For students enrolling, the listed tuition must accompany their completed and signed Enrollment Form. Keystone National Middle School will e-mail instructions for accessing the student's courses and ship course materials if applicable upon acceptance of student's Enrollment Form. Keystone National Middle School will provide study materials (online or in print) to complete each course, provide examination services, student services and grade report services in a prompt and professional manner. Students have a minimum of eight weeks and a maximum of one calendar year from the date this enrollment form is processed to complete their courses. All students are protected by our liberal Tuition Refund Policy (see above). This Agreement is not binding until signed by parent/guardian and accepted by Keystone National Middle School. Questions, concerns, and complaints regarding satisfaction of the terms of this Enrollment Agreement may be directed to the Provost of Keystone National Middle School, 800.255.4937.

MIDDLE SCHOOL TUITION REFUND POLICY

To request cancellation, call Student Services at 800.255.4937. No refunds are given after 30 days of enrollment. Shipping charges are not refundable.

Individual-Course Enrollment:

- If a refund is requested within 30 days of enrollment and the workbook is returned in as-new condition, all tuition monies will be refunded.
- \$35 will be withheld for each unreturned, used or damaged workbook.

Refund Policy for Grade-Level Enrollment:

- Grade-Level Enrollment requires a student to maintain enrollment in four core courses and one elective or advanced course.
- If one core course is dropped within 30 days of enrollment, and the workbook is returned in as-new condition, the student will be removed from the Grade-Level Enrollment Package and a refund will be issued.
- If the elective or advanced course is dropped, no refund will be issued.
- \$35 will be withheld for each unreturned, used, or damaged workbook.
- Additional dropped core courses will be refunded according to the "Individual-Course Enrollment" section above.
- Due to U.S. Treasury requirements, Keystone cannot offer refunds to students with a non-U.S. address.

I have read, understood, and accepted all the terms of the Enrollment Agreement listed on the back, and I have received and read the school's current student information publication.
